PROJECTS

LIBRA EASE - LIBRARY MANAGEMENT SYSTEM AND ADMIN CMS

Technologies: React, Redux, Firebase, React-Bootstrap, Bootstrap, HTML, Figma, Git, GitHub.

Libra Ease is my project, incorporating a library management system and admin CMS. I utilized React, Redux, Firebase, Bootstrap, HTML, Git and Figma to create a seamless experience for users and administrators. Features include book borrowing, ratings, reviews, messaging, profile editing, and admin functions like user management and book editing.

PROFESSIONAL ACCREDITATION

AUSTRALIAN COMPUTER SOCIETY (ACS)

Membership Number: 4354090

EXPERIENCE

NOV 2021 – PRESENT   **BURWOOD, NSW.**
ADMIN OFFICER, ABK CONSULTANCY PTY LTD

- As a self-motivated individual with strong team management skills, I organized workshops and training sessions to address a client's concerns over academic advancement, utilizing WordPress to regularly update their website with new services, blogs, and other changes.
- I performed administrative tasks for clients, including billing and evaluating student achievement, while using various office software to maintain daily operations and ensure the best service was provided through regular communication with the client.

MARCH 2021 – MARCH 2023   **HUNTERS HILL, NSW.**
PERSONAL CARE ASSISTANT, CATHOLIC HEALTHCARE ST ANNE'S AGED CARE

- Communicated on daily basics with registered nurses, families, and residents to ensure their requirements and provide the highest level of care possible. Provided a level of care in accordance with Nursing Best Practices.

PERSONAL ATTRIBUTES

- Demonstrated leadership skills and experience as a valued team member in various group projects and activities.
- Utilized excellent interpersonal skills to successfully communicate with colleagues and clients, as evidenced by positive feedback and long-standing relationships.
- Developed strong time management and organizational skills through successfully juggling multiple projects, works, studies and deadlines simultaneously.
- Possess a strong willingness to learn, demonstrated by taking courses and attending training programs to continuously improve and update skills and knowledge.
